News and Notes

Pinewood Derby Car specifications are listed on the instruction sheet included with the kit. Please pay attention to the rules as your boys construct their pinewood derby cars. Parents and siblings may race in the open category. Cars must be made this year. Oils and silicone sprays are NOT permitted – all axles will be lubricated with powdered graphite at registration. Races will be held at Homecroft School, Thursday March 27. Registration starts at 5:30, racing begins at 6:00 PM.

Because most people need to race home from work to get to the meeting we don't always have time to eat. This meeting is even earlier than usual so we will be serving pizza & kool-aid for your convenience. Each family will be given three tickets to obtain a total of three pieces of pizza for free. There will be a \$1.00 charge for each additional piece to help the pack defray the cost of the pizza. Money from the scouts "account" can be used to purchase pizza. Don't worry if you don't know your Scout's balance, we will have a list of the account balances at the meeting.

Parent/Leader Training Opportunities -There will be a Cub Scout Leader Training opportunity offered at Horace Johnson April 18-19. This training is required for anyone who works directly with Scouts such as Den Leaders, Assistant Den Leaders, Cubmaster & Assistant Cubmaster. This is also a great learning opportunity for other volunteer/leadership positions such as training for committee chair, awards chair, etc. to become more familiar in general with the basics about Cub Scouting. New Leader Essentials will be Friday evening and Cub Scout Specific training on Saturday. The ideas gained through discussions and interactions with other leaders at these trainings sessions are invaluable! Please plan to attend some or all of the training for the benefit of our boys. Contact the Council office for more information (218-729-5811) or Lori Anderson at 310-2742.

Round Table - meetings are monthly get-togethers of unit leaders and interested adults. Often there is a discussion about some predetermined subject. These meetings are the best place to find out what is going on in the North Star District, meet other scouters, get ideas and ask questions.
