Pack-7 Geocaching Outing – Tuesday, May 26, 2009, 5:30PM. - Harley Nature Center parking lot (3001 Woodland Ave). Geocaching is a worldwide game of hiding and seeking treasure. See the attached [guide_to_geocaching.pdf](#) for more information. There are 6 hidden caches located in Hartley. The plan will be to split up the kids into groups; each group must have at least 1 GPS and an adult before they leave the parking lot. Anyone who has a hand held GPS is encouraged to bring it along.

Pack-7 has an account setup for researching and logging geocaches at www.geocaching.com for everyone to use.

The user name is: Pack-7
The password is: cubscouts

If you plan on bringing your own GPS please try to have the geocaches for Hartley loaded and ready. If you need help loading the geocaches into your GPS try to be to Hartley at 5:30 and I am sure we will be able to figure it out.

June Pack Meeting Our last Pack meeting of the year will be Thursday, June 11th, outdoors at the Family of God Lutheran Church, beginning at 6PM. We will have advancement to new dens, fishing contest awards, and a campfire with snacks.
